SPELL

Supporting
 Parents in
 Early
 Literacy
 through
 Libraries

This program targets families with children under four-years-old who are Montezuma County residents.

There is no cost to participants.

If you and your child attends one program your child will receive one board book.

Each family will receive one Cuddleupet which is a puppet built into a blanket.

The Library's particular SPELL program is called "Read to Me, 21 Days to Form the Reading Habit" and helps parents establish a regular, daily reading habit in the home.

The Cortez Public Library is located at 202 N. Park Street.

We may be reached by calling 970-565-8117.

Please ask for either Eric or Laura.

If you can't make this SPELL event, there will be others.
